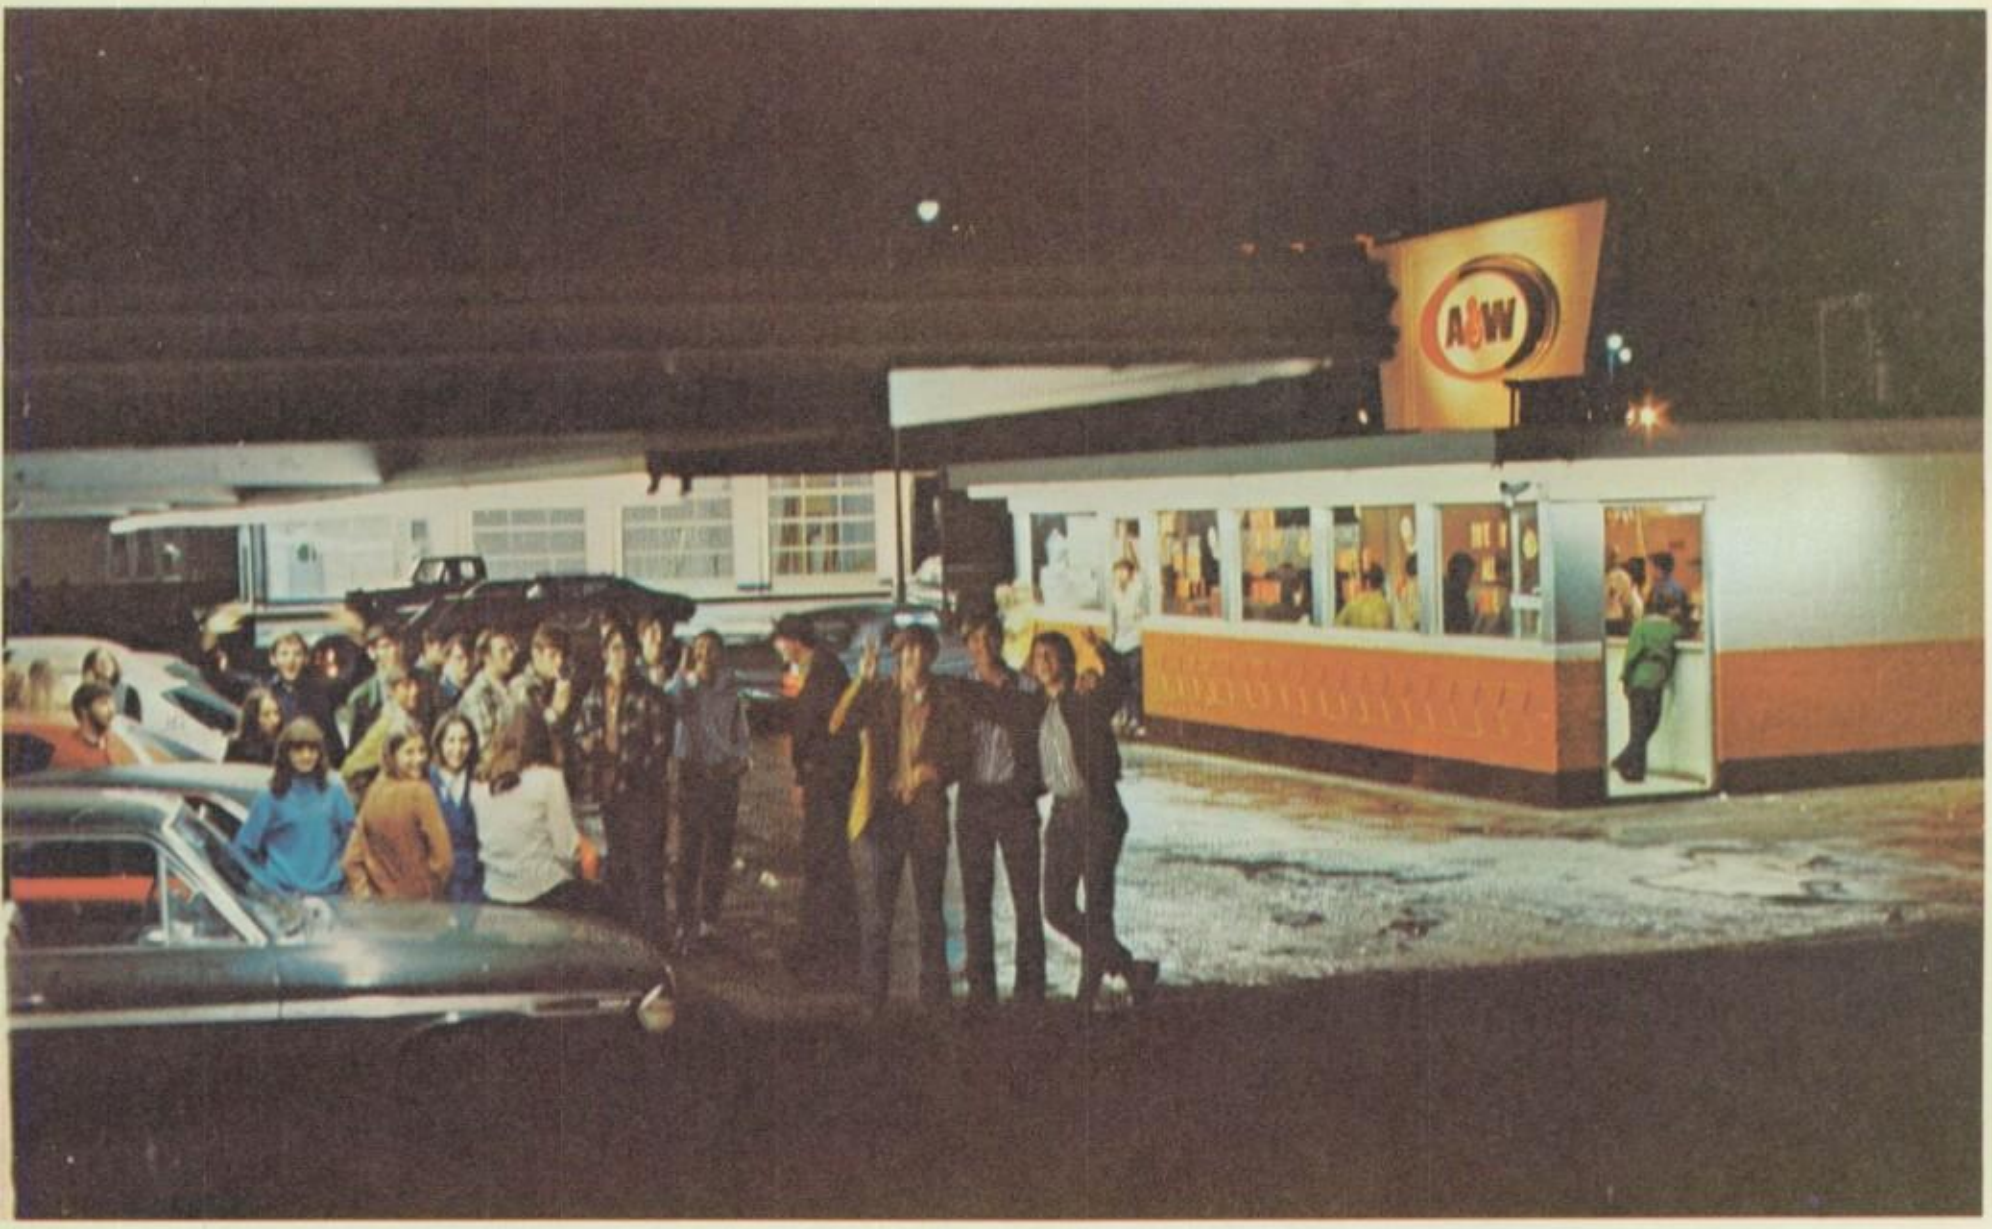
Chieftains Build Pride

The year was 1971 when a unique group of students emerged. They built a varied image for themselves. Whether it was "dragging town" or just attending classes, Chieftains distinguished themselves. No matter where a Chieftain is you can tell him by his PRIDE.



A&W

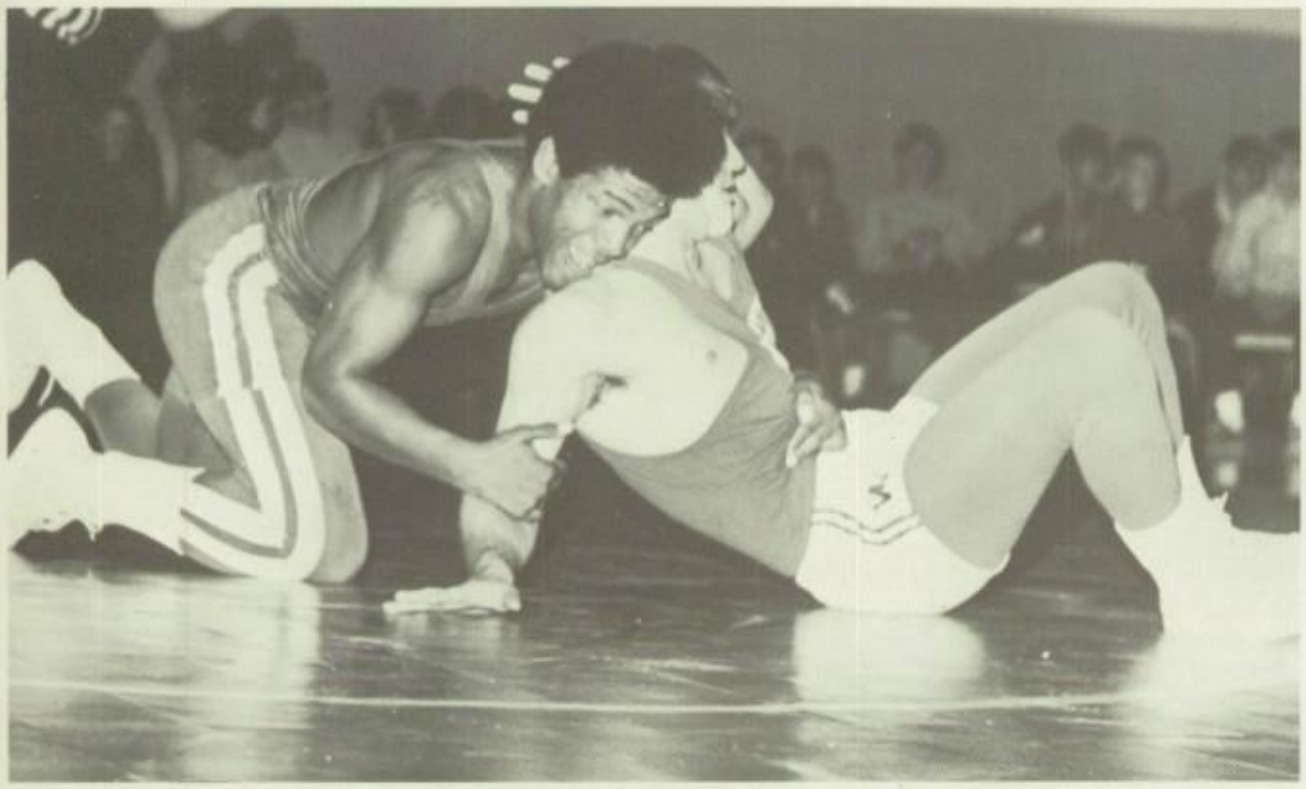
Rusty Gordon going up for two points against Henryetta.

Jim White picking up extra yardage for the Chiefs.

Dan Cue, State Champ at 123, proved that the Chiefs are tough competitors.

Competition Initiates Pride

Chieftains have found pride through competition, an important role at SHS. Whether on the stage, the playing field, or the court, Sapulpa proved itself as an outstanding competitor.

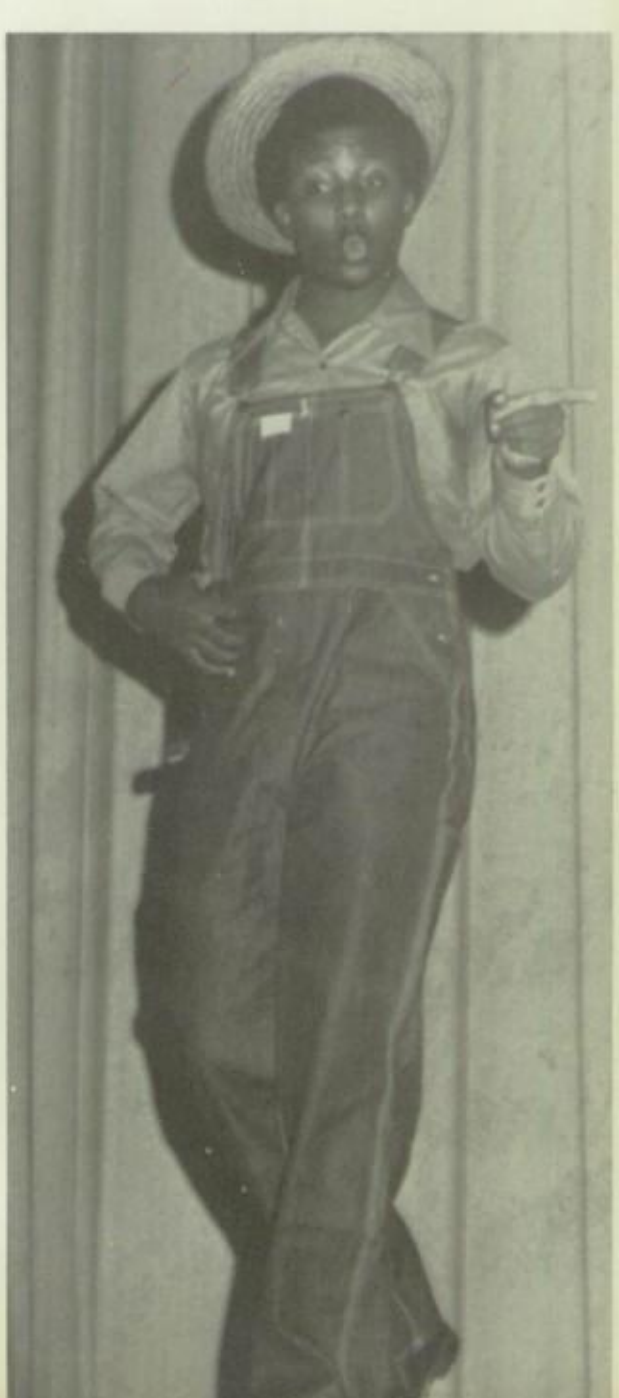


Vincent Vann taking down his Webster opponent.

Debbie Morrison, head cheerleader, leading "Battle Cry."

Steve Vanarsdel making a lay-up to help lead the Chiefs on to victory.

Participation is a key word at SHS. At an OU half-time show our band was one of two honored to play with the OU band. The burning of "George" early in the football season gives every student an opportunity to participate in school activities.



Pride Through Participation

Mike Pacaud, Marilyn Davies, and Tria Btisko registering contestants at the Sapulpa Speech Tournament.

Pride In Learning

Sapulpa offers students a wide variety of courses. This year we have expanded our curriculum through Central Vo-Tech at Drumright. Students may spend half of the day at SHS and half at Vo-Tech.

Pride In Achievement

Chieftains are proud of their record-breaking achievements and strive to overcome the barriers of ignorance, prejudice, and the pressures to excel. This year, more than any other, Chieftains have found pride in achieving.

Pride In Being A Chieftain

. Pride — it has been stated in countless ways, and only each individual knows just what it means to him. Some do not believe in it at all; yet without it, no school can be a success. The Sapulpa Chieftains recognize pride in their many activities, sports, and scholastic achievements. The interaction of minds and interests creates a balanced student life for all. And every facet is linked to the common bond of PRIDE.

Way

To be successful, a school system should have an efficient administration. Sapulpa has an outstanding administration which makes decisions vital to all students.

Dr. Palmer is serving his fifth year as head of the Sapulpa school system. Under his guidance our system has advanced in countless ways.

Mr. Cockrum also supervises classroom and extra-curricular activities, prepares the master schedule, as well as the senior schedules, and supervises the various office staffs. He is aided in these duties by Assistant Principal John Coker, who also disciplines students.

In addition to counseling, Joy DeLong and Antwine Pryor prepare schedules, administer tests, and advise students on colleges and careers.

Links Students To Today's World

Communication is a vital factor in world understanding. Our Language Arts department encourages communication through its varied and challenging courses. Students take English and may choose from Spanish I and II, French I and II, Speech I and II, journalism, and composition.

Students have the opportunity to use what they learn in these classes. Foreign language students write to pen pals in foreign countries. Speech students enter contests and participate in plays. Students in journalism publish our school paper. Composition prepares students for college English.

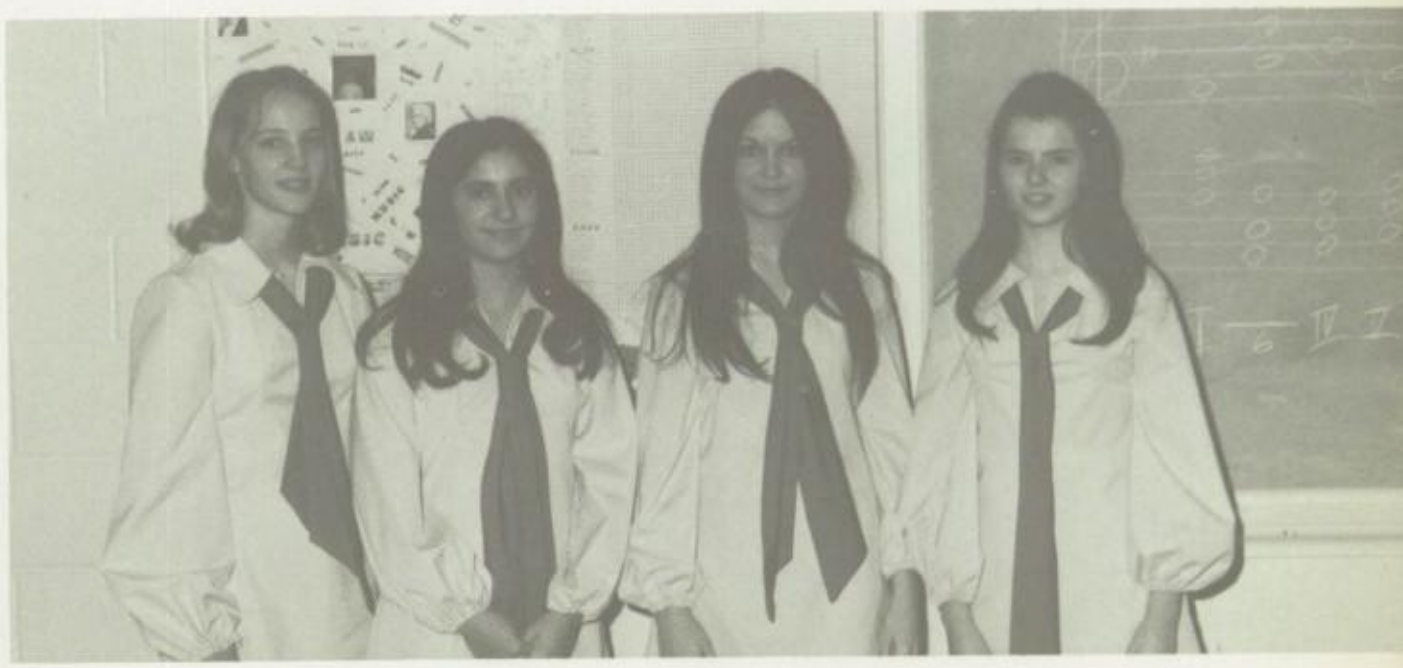
ACTIVITIES

Outstanding Choir At Tri-State

The choir had an active year. Some of their activities were singing for the ACDA convention in Kansas City, entertaining at the Chamber of Commerce retreat at Fountainhead, and singing at the OEA administrator's luncheon in Oklahoma City. This year the choir was named the outstanding choir at Tri-State contest in Enid.

Choir Sings At Kansas City

SHS vocalists won many honors this year. At District contest they won straight superior ratings in concert and sight-reading, and earned the Sweepstakes award at State contest. All three groups won superior ratings at Tri-State. This year the Mixed Chorus and Sophomore Girls' Glee Club have done a great deal to support the vocal department and to make this a great year for Sapulpa's singers.



Band Captures Sweepstakes

This year the SHS band was the only band in the state to win the coveted Sweepstakes award. To attain this high honor, they had to meet two qualifications. They received superior ratings in performance and inspection at Marching contest and at District and State Contests in both concert playing and sightreading.

Many individual honors were received by SHS bandsmen. Thirteen players were chosen for the 1971 All-State Band, three of whom were chosen for the third time. Thirty soloists qualified at District contest to enter the State event where nine won superior ratings. Roger Gierhart was one of two chosen from Oklahoma for the 1971 McDonald's All-American Band.

Further tribute was paid to the band by their being chosen as band of the month by "The School Musician" magazine. To climax the year, director George Brite was selected as Sapulpa's Teacher of the Year.

Bandsmen Involved In Many

Sapulpa's bandsmen participated in many activities this year. Under the baton of drum major Roger Gierhart and twirlers Betty Burnett and Terri Tilbury they performed at the pre-game and half-time of all home games. Climax of the band's marching season was the crowning of the band queen, Miss Louise McMasters, at the half-time of the last home game.

Officers Keith Henderson, Tom Henshaw, and Louise McMasters supervise candy sales.

Activities

Each member helped pay expenses this year by participating in magazine and candy sales.

Council Initiates Problem Panel

Sapulpa's student council broadened its scope of work this year to include the tackling of international and national problems, as well as local confrontations.

Ecology, an international topic, was aided when school was turned out to pick up trash. This concluded a week long campaign against litter.

Racial prejudice, a subject of national interest, was discussed in a question and answer assembly, as well as in Problem Panel meetings, a new organization set up to listen to student's problems and then finding solutions.

Fun was not overlooked either as a carnival, powderpuff basketball game and olympics, such as girls arm wrestling were included on this year's agenda.

Meeting adjourned!

IRC Boosts American Field Service

Last year the International Relations Club raised money and brought to Sapulpa High, their first "blond computer" and "Argentine hippie," better known as Kjeld Sorenson of Denmark and Bill Delella. The club has hopes that this project will promote better understanding of other nations and their people.

The second annual Sapulpa Invitational Speech Tournament was held this fall with participants from all over Oklahoma and several surrounding states.

Thespians also sponsored a contest this year for SHS students to display their talent. The winners of the titles of Mr. and Miss Show Biz were Robert Humble and Debbie Atkinson, first runners up were JoLynn Patty and Mike Pacaud.

Work In Close Harmony

Mr. Shaw helping a Stage Crew member on the Senior Play set.

The Stage Crew is an organization that is often overlooked at SHS mainly because its members are hardly ever seen. Whenever the auditorium is used there are always members of the Stage Crew there to help make things a success.

The Stage Crew is under the supervision of Mr. Shaw and Mrs. DeVilliers and performs such duties as the construction and removal of play sets, the production of assemblies, civic affairs, and the many other things that occur in the auditorium involving stage lighting and audio effects. The Stage Crew was managed this year by Mike Pacaud with Steve Hillman as his assistant.

The Audio Visual Club, also under the direction of Mr. Shaw, makes the supplementary teaching aid program of SHS education possible. Members run and repair film and filmstrip projectors as well as recording equipment and closed circuit television.

Lettermen Active At SHS

This year Lettermen's Club formed the Bleacher Bums to cheer at all home games. They also participated in the March of Dimes basketball game, sold stadium seats, and had a pie-throwing contest at the carnival. The club sponsored the Mid-Winter Sports assembly, during which Debbie Morrison was crowned queen.

Chieftains Take Third In Green Country

It can be done. This was the underlying theme of the 1970 football team. They started the future by leaving behind the dissolved Magic Empire Conference and joining the Green Country Conference. Our rivals in this new conference are Sand Springs, Cushing, Webster, Okmulgee, and Bishop Kelly. Another new look this year was naming offensive and defensive players of the week. The five coaches picked the players that they felt had done an outstanding job during each game.

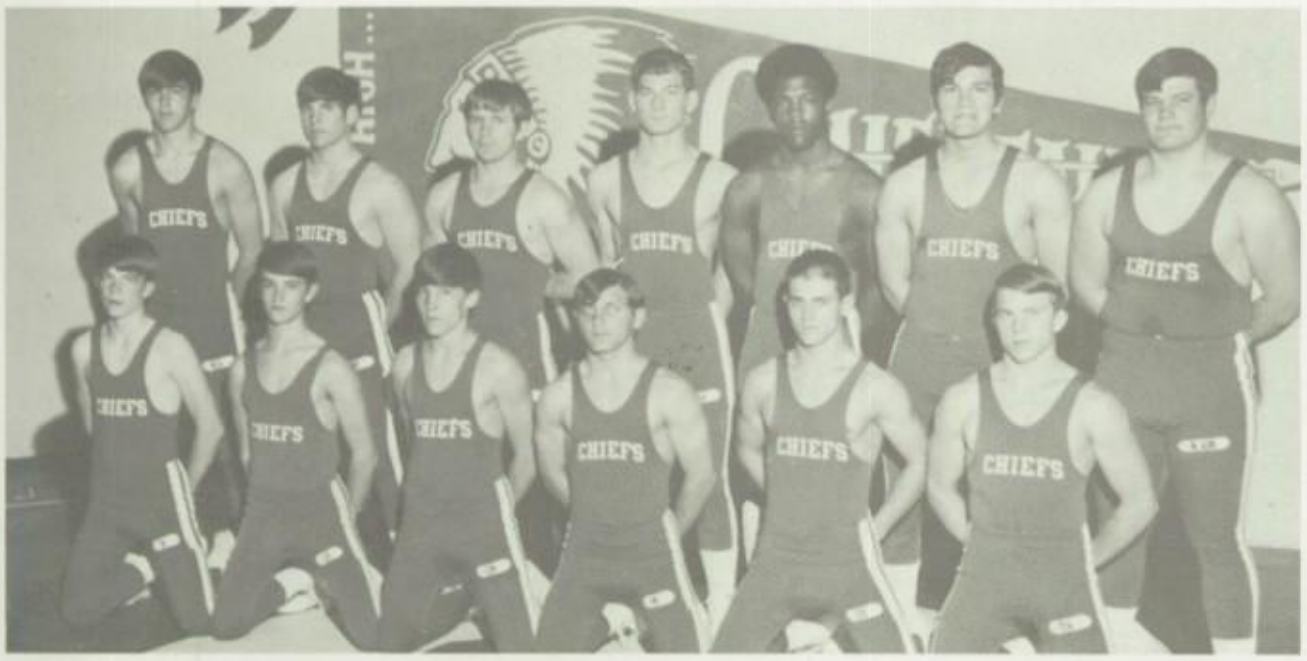
Wrestlers Take Two Titles



Sapulpa lived up to the title of a fast-finishing team by capturing 4th place in the state's toughest AAA regional. In doing so Coach Allwhite qualified six entries to the state tournament. They were Cue, Dunn, Madden, Vann, West, and Thomas.

West finished 1st in the regionals and 2nd in the state tournament. Cue fell to a 3rd place regional finish, but came back to gain his second state championship with a one point victory over a previous victor.

For his effort Cue was titled as the state "outstanding wrestler."

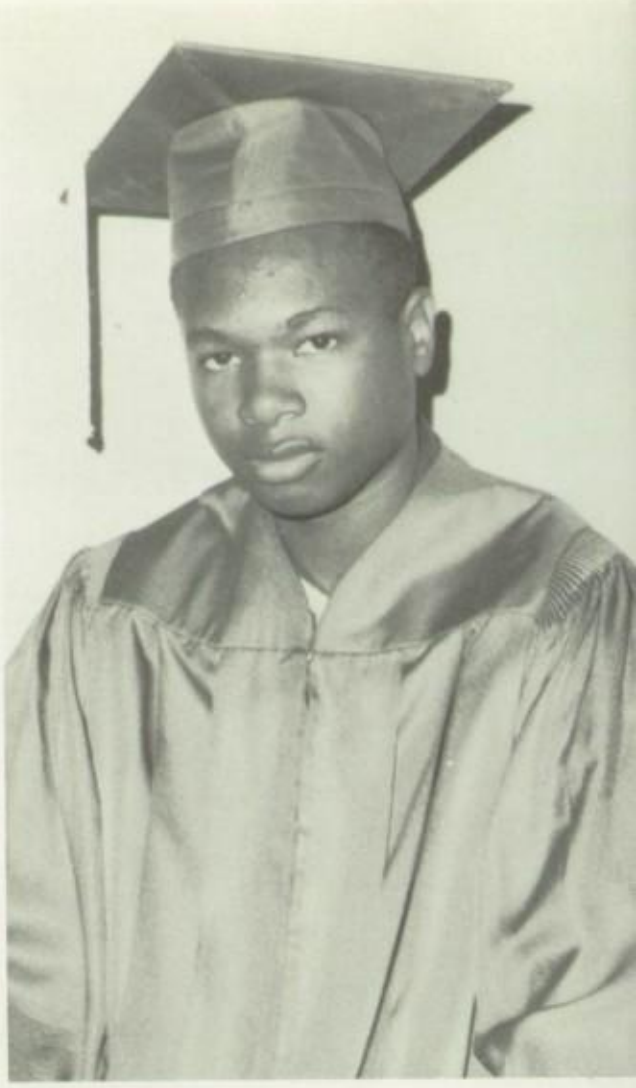
Life At SHS

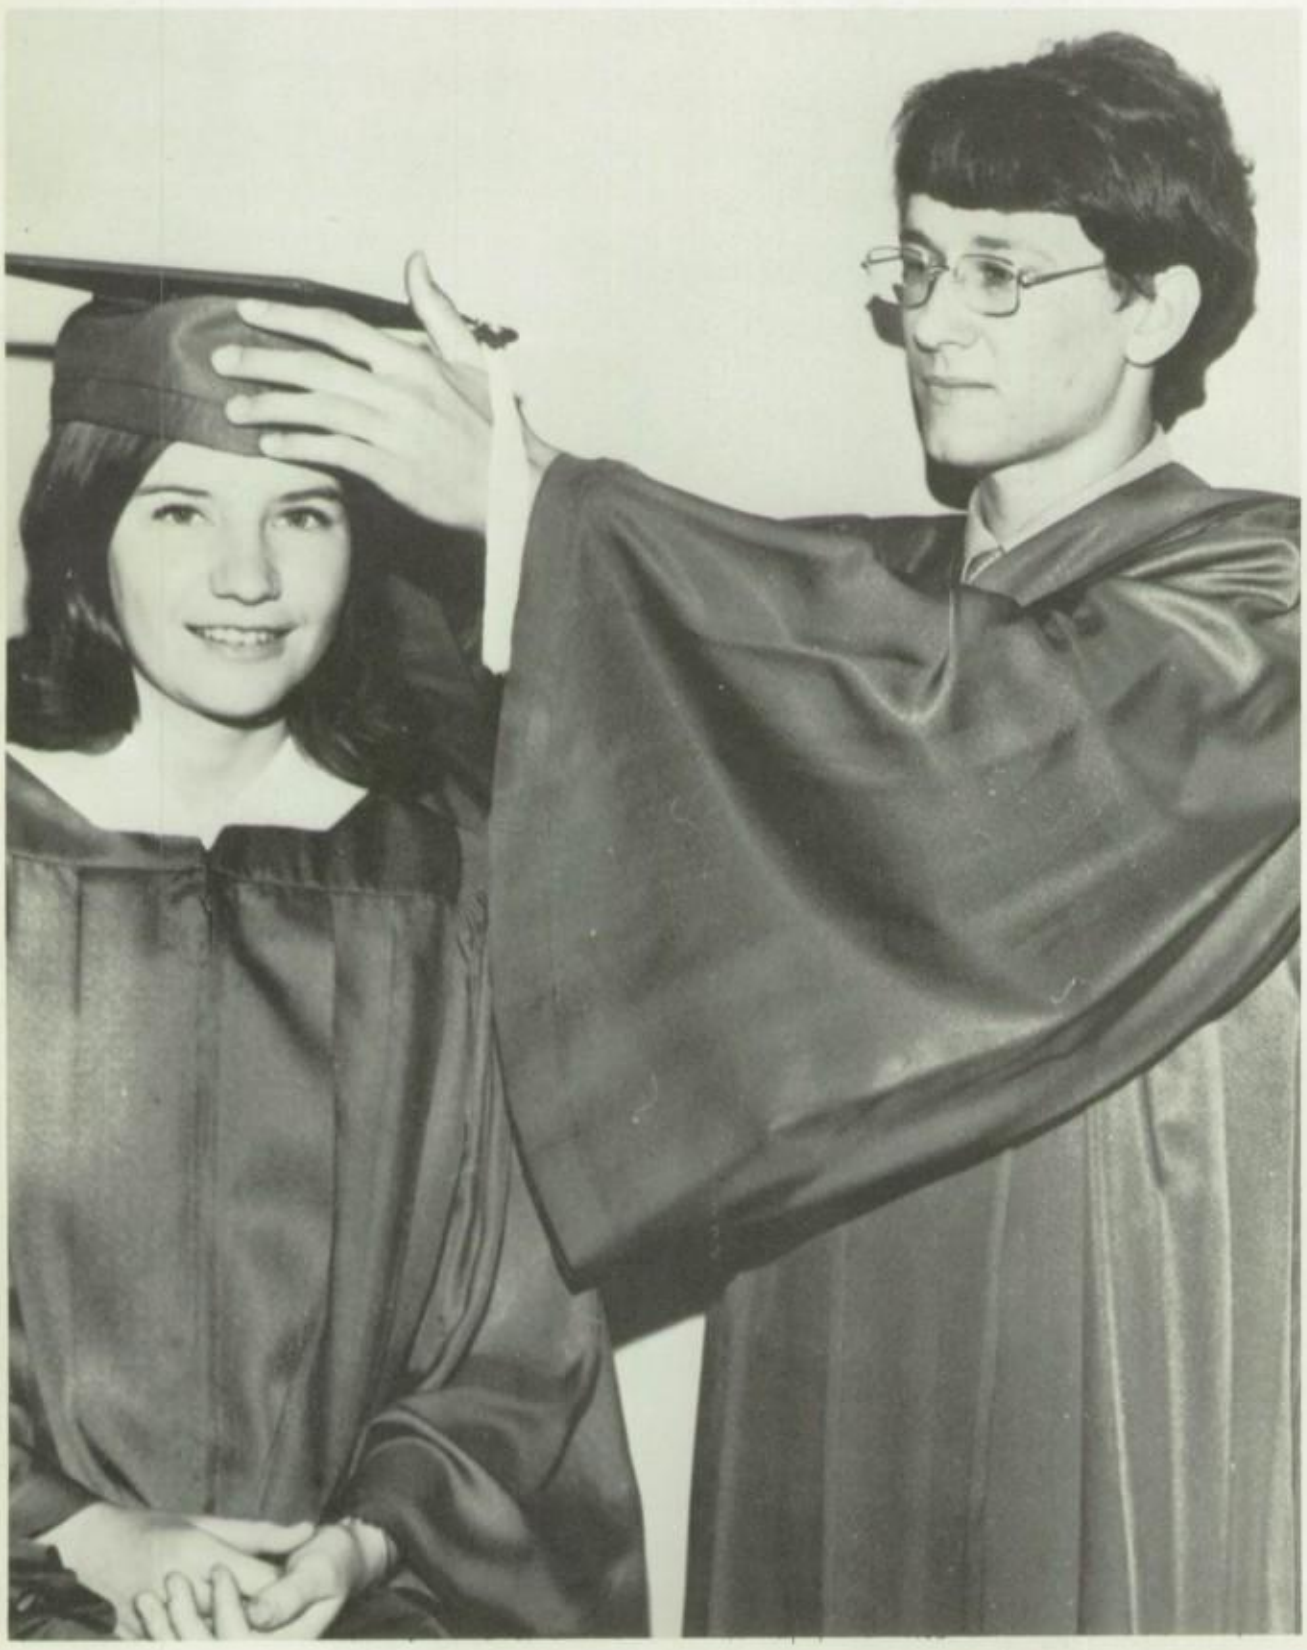
Life at Sapulpa High School is as typical as any school.

New this year was the initiation of girls wearing pant suits to school. Also typical was boys wearing long hair as well as sideburns as seen here on Rod Blair.

AFS students were a spark to this year's student body, a "first" at SHS.

But as any school there is still classroom work.





The Class Of '71 Presents The Miracle Worker

The senior class play, THE MIRACLE WORKER, was a success financially and theatrically. Yearbook king and queen candidates raised over $1200 through ticket sales. The performances of Debbie Young and Debbie Knight won for them the Outstanding Actress awards.

I am the Star Spangled Banner . . . conceived in 1777 ou
of the love America bore for Liberty and Honor.
I am the memorial of countless heroes who shed the

I have inspired generations of gallant men who fough
against tyranny.
I am the spirit of Valley Forge . . . of sacrifice . . . of cou

I have guarded every rampart where freedom defende

Come back, quick!
I want to buy some

besides, I miss you.
God bless you,
Deb. Young

Roy Ann:
I loved your solo, you are great. But I sure do miss you in the choir. You added a lot to the choir. I hope and pray God will use you this year in college
Good luck
